Governor Rick L. Scott
c/o Governors Appointment Office
The Capitol Building
Lower Level, Suite LL-10
Tallahassee, FL 32399-0001

Governor Scott & Appointment Committee:

With great willingness, it is my intention to obtain a gubernatorial appointment to the position of Indian River County Property Appraiser recently vacated by the late David Nolte. Over the years of working as an appraiser and managing an appraisal office in the private sector, I have gained the experience that should be a requirement to fulfill this position.

I am a second-generation real estate appraiser who was raised in the business. Starting at 13, I worked summers as a researcher and an appraiser's assistant at the firm. I was state licensed at 18 and continued to work summers and eventually year round to pay for college. After graduating from college, I have been dedicated full time to the profession.

I have continued to further my professional education by attending real estate classes offered by the Appraisal Institute. In addition to being a State Certified General Real Estate Appraiser, in 2014 I earned the MAI designation. With less than 10% of licensed appraisers in nation having earned the designation, it is considered the highest achievement in the real estate valuation profession. Since obtaining the MAI, I continued to expand my general real estate knowledge by becoming a Licensed Florida Real Estate Sales Associate in 2015 and a Broker in 2018.

After training numerous recently licensed appraisers, I can attest that real estate valuation is not a skill easily taught. Like most professions, hiring experienced professionals is important for success. Over the years, larger counties throughout Florida have been hiring state licensed and MAI designated appraisers from the private sector for this reason. Based on my research, the existing staff at the Indian River County Property Appraisers Office only have Certified Florida Evaluator (CFE) designations. This designation is only offered to public sector employees and would not suffice in the private sector to appraise real estate in accordance with state statutes.

As County Property Appraiser, I would encourage the existing employees to pursue educational offerings from the Appraisal Institute and be held to the same state licensing standards as their peers in the private sector. This would greatly aid in increasing the reliability of valuations and further promote public trust within the office.

Working and living within Indian River County for the majority of my life, I have extensive connections throughout the community. Before the untimely passing of Mr. Nolte, I intended to run for Property Appraiser in 2020. During the last six months, I have discussed with acquaintances my desire to run for the office and their willingness to assist in preparation for the 2020 campaign. Their response has been of utmost support and encouragement. I am confident in our ability to run a successful campaign and be elected by the public in the upcoming election. It would be a great honor to serve the residents of Indian River County as their Property Appraiser for many years to come.

Lastly, I would like to personally thank you for your service as our Governor and congratulate you on your recent election to the United States Senate. It has long been a personal belief that public representatives should have previously worked in and understand the obstacles associated with operating a small business. As a business owner who transitioned into the public sector, you fit the bill. The state of Florida's economy and job growth since your election in 2010 is a reflection on your leadership and commitment to campaign promises. I am positive you will have continued success in Washington D.C. and I will continue to support you as a proud Floridian.

My résumé and professional qualifications are attached for your review. I appreciate your consideration for this gubernatorial appointment and look forward to discussing the expertise I can bring to this office.

Respectfully Submitted,

Professional Summary

As a state licensed real estate appraiser and designated member of the Appraisal Institute, I have spent my working life dedicated to the appraisal profession. I have completed 1,000's of appraisal assignment within Indian River County and throughout Florida. During my time in the private sector, I have consistently delivered unbiased assignment results and spent countless hours educating clients and the public to the process of real estate valuation. At this time, I would like to serve the county residents in a greater role as the Indian River County Property Appraiser.

Professional Experience

Boyle and Drake Inc.

March 2014 to Present

Managing Director/Senior Appraiser

Vero Beach, FL

As the Managing Director, my responsibilities revolve around the day-to-day management of the office including but not limited to:

- Securing new clients including a recent expansion of the business into third party reviews for federally regulated financial institutions.
- Researching 50+ requests for proposals (RFP) per week and determining a competitive fee to bid based on the client's specific requirements, the resulting complexity, and estimated time to complete the assignment.
- Distributing appraisal assignments to a staff of 10± appraisers and insuring the timely completion of commercial and residential appraisal valuations ranging from \$10k to over \$200 million. Each assignment requires a thorough systematic review to assess accuracy in the valuation, compliance with regulatory agencies, and the specific requirements set forth by the client in the letter of engagement.
- Completing commercial and residential appraisal assignments as detailed below when staff appraisers are at capacity.

Boyle and Drake Inc.

April 2009 to March 2014

Senior Real Estate Appraiser

Vero Beach, FL

As a Senior Real Estate Appraiser, I was responsible for the timely completion of residential and commercial appraisal assignment ranging from \$50K to exceeding \$200 million.

- Researching all pertinent details pertaining to the subject property that affect value. This would include an intensive study of the market area in which the subject property was located to ultimately determine the Highest & Best Use of the subject property. The research would include but is not limited to the socio-demographic composition of neighborhoods, market area trends, the effect of zoning regulations levied by municipalities, physical characteristics of the site and improvements including a thorough understanding of construction materials, techniques, and cost.
- Due to the geographic make-up of the market area, a bulk of the commercial assignments involved the valuation of subdivisions. Valuations included cash flow modeling for large scale DRIs and PUDs where CDD or SAD bonds are utilized to finance existing and future phased infrastructure.
- Reviewed construction plans and analyzed proposed cost in relation to an in-house database of actual cost received during other assignments and Marshal Valuation Service, a nationally published cost-estimating handbook.
- Served as the office trainer for new employees and recently licensed appraisers.
- Consistently the top producing appraiser in the firm year over year.

Integra Realty Resources – Orlando

February 2006 to April 2009

Commercial Real Estate Appraiser

Orlando, FL

As a Commercial Real Estate Appraiser I was responsible for the timely completion of valuation assignment ranging from \$50K to \$20 million. Most of the appraisals were of income producing investment grade properties in the larger cities throughout Florida. Aspects of this position included:

- Analyzing commercial leases to accurately model Discounted Cash Flows over a holding period or formulate a Direct Capitalization Approach. This requires a thorough understanding of move-in dates, rent commencement and expiration dates, rent concessions, scheduled rent increases, tenant improvements being amortized over a lease term, expense structures between landlord and tenants and the effect of base years, stops and caps in relation to expense reimbursements throughout the lease term. Discounted Cash Flows were processed with ARGUS or individually developed Excel models based on the type of assignment.
- Researching comparable sales and contacting buyers, sellers, or other knowledgeable parties to the sale transaction in order to verify the factual and financial details.
- Consistently exceeded quarterly production goals.

Additional real estate related courses were completed at the University of Central Florida including Real Estate Law, Real Estate Investment Analysis, Basics of Real Estate Appraisal, Urban and Regional Economic Issues, and Price Theory.

Continuing Appraisal Education for state licensing requirements consists of a minimum of 30 hours every two years as required by the Florida Real Estate Appraisal Board. To date, 200+ hours of continuing education classes have been completed since initial licensing in 2003.

State Licenses & Professional Affiliations

State of Florida Certified General Real Estate Appraiser RZ3470

State of Florida Licensed Real Estate Broker BK3329617

Member of the Appraisal Institute – MAI Designation #501667

- The MAI Designation requires at least 5 years of specialized appraisal experience subject to peer review for credit, passing 11 classes totaling 380 hours, passing a two-day 16-hour comprehensive exam, and a demonstration appraisal report requirement.
- Less than 10% of state licensed appraisers nationwide have earned the MAI Designation

Community Involvement

Youth Sailing Foundation of Indian River County

- Former Board Member (served term limit)
- US Sailing Level 1 Licensed Instructor
- Instrumental in starting the Varsity High School Sailing Team at Vero Beach High School. This program has since been expanded to include a Junior Varsity team and two other High Schools within the County.
- From 2010 to mid-2017, I volunteered approximately 6 to 8 hours a weekend for 26± weeks each year teaching introduction and intermediate sailing classes at no cost to children of the community. After the birth of my second child in mid-2017 I decided to take a leave of absence, but will return to weekend teaching once my children are older.

Personal

I have resided within Indian River County for the majority of my life. I left for 7± years to attend the University of Central Florida and subsequently work in downtown Orlando for the largest international valuation company in the world following college. I returned to Indian River County in 2009, married my current wife, and now have two young children. If you have any questions feel free to contact me anytime.

Re: Gubernatorial Appointment - Vacancy
Indian River County Property Appraiser

To Whom It May Concern;

Sadly, I am applying for the Governor's appointment to fulfill the remainder of the tenth term of office for the Honorable David C. Nolte, CFA, ASA; Indian River County Property Appraiser. I do so at the request and encouragement of Mr. Nolte, prior to his recent death on Tuesday, November 6, 2018.

I have included a letter of recommendation to Governor Scott from Mr. Nolte.

I am dedicated to preserving the legacy of Mr. Nolte's thirty-eight years of public service and to lead the office during this difficult time. Our office has 35 full time employees with 617 years of combined professional appraisal experience. We are small enough that we know each other's family and we care about one another.

Recently, we have moved our entire county data base from an antiquated system to a newer advanced system that is currently being used in a number of Florida counties. I worked with a team of our office professionals to successfully see this project through. This was a two-year project. All employees are being trained on the new system.

We are also currently training new deputies in all departments. There are a number of projects we are working on that Mr. Nolte wanted to see accomplished during his term. For these and many reasons, I believe I am most qualified to complete the remainder of David C. Nolte's tenth term of office ending December 31, 2020 and to serve the taxpayers and citizens of Indian River County.

I respectfully and humbly ask Governor Scott's favorable consideration of my appointment as Property Appraiser of Indian River County.

Respectfully Submitted,

Helen Jane "Sissy Long" Black, CFE, ASA
Assistant Property Appraiser
Indian River County Property Appraiser's Office

October 31, 2018

Governor Rick Scott
State of Florida
The Capitol
400 S. Monroe St.
Tallahassee, FL 32399-0001

Re: Appointment for Helen Jane Black "Sissy"

Dear Governor Scott;

Due to my declining health, I am writing to recommend my Assistant Property Appraiser, Helen Jane "Sissy Long" Black, CFE, ASA, to fulfill the remainder of my tenth elected term through December 31, 2020.

I have known Sissy for the past thirty-five years. Sissy has worked her way from the ground up in a Property Appraiser's Office, starting in 1974. She served as an Appraiser and Appraisal Director for 23 years for the Alachua County Property Appraiser, eight years as Chief Deputy for the Polk County Property Appraiser and since January 2012, as Office Manager and currently as my Assistant Property Appraiser.

Sissy is a Senior Accredited Member of The American Society of Appraisers, (ASA), since 1990 and has held the designation of Certified Florida Evaluator (CFE) from the Florida Department of Revenue, since 1977. In 1996, she also was Past-President of the Florida Chapter of the International Association of Assessing Officers.

Sissy served as Secretary of the Republican Party of Florida while also being elected as Chairman and State Committeewoman of the Alachua County Republican Party from 1989 through 2000. She has also been elected Treasurer of the Polk County Republican Party from 2005 through 2011. Currently, she is a Precinct Committeewoman for the Republican Party of Indian River County.

There is no doubt in my mind that Sissy would be an excellent choice to complete my unexpired term and to lead our office through this transition. I would sincerely appreciate your consideration for her appointment.

Regards;

In the following space, please explain why you want to serve as a gubernatorial appointee and share anything else that you think may be helpful:

The goal is to provide the highest level of service to the community in this important position.

Note from pg 1. In 1990 I was a student at the University of Florida when I received the worst news you can receive. My father and two other family members were killed in a plane crash. I was forced to leave the U of F to return home. At 20 I was forced to grow up fast and run the family's Citrus business. I was just short of my degree. Since then I have never stopped receiving an educating attending nearby schools and receiving technical training. I gained a degree in life.
